

TEI ROCK DRILLS

SAFETY BY CHOICE

PROTECTIVE SAFETY COVER

The TEI drilling attachment is also available with an EU certified protective cover that meets current European equipment standards.

Designed specifically for your workers, the Protective Safety Cover promotes safety throughout your job site. This product does not modify the excavators in anyway. The cover will reduce hydraulic power when opened and covers drill strings during operation.

800.777.3745 | 970.249.1515 | WWW.TEIROCKDRILLS.COM

Specifications subject to change without notice.
TEI technical specifications consider a 40% hydraulic power loss.
